

IN THE UNITED STATES COURT OF FEDERAL CLAIMS

AECOM ENERGY & CONSTRUCTION,  
INC.,

Plaintiff,

v.

THE UNITED STATES OF AMERICA,  
Defendant.

Case No. 20-2016 C

JOINT STATUS REPORT REGARDING STATUS OF DISCOVERY

The parties, plaintiff AECOM Energy & Construction, Inc., formerly known as URS Energy & Construction, Inc., (“URS”) and defendant the United States of America (the “Government”), have been conducting discovery under a scheduling order that requires them to jointly submit a status report every 30 days updating the court on the progress of discovery. This is one such joint status report updating the Court on the status of their efforts.

The Government anticipates completing its productions by July 26, 2024, as required by the Court’s scheduling order. Since the parties’ last status report, the Government has completed its privilege review and is now in the process of doing various cross-checks before finalizing documents it intends to produce. The parties will also continue to review recent productions of documents in preparation for depositions and to identify and attempt to resolve any deficiencies. The parties also continue to confer about the schedule for depositions.

Respectfully submitted,

s/ Charles C. Speth
